

Synthetic Review Drawing Stub

Part	QFeed idler sprocket mount plate
Revision	B
Pilot	SOMIC
Material	Stainless 304

Views

Key Dimensions

Dimension	Value
Key	180 x 120 x 8 mm
Key	Idler slot 11 x 35 mm
Key	Guard-hole add-on pattern

Revision Summary

- Extend the idler adjustment slot for easier tensioning.
- Add a pair of guard-mounting holes for the revised guard concept.
- Keep the bearing interface fixed while expanding adjustability and safety integration.

Notes

- Synthetic QFeed idler adjustment package.
- Revision B captures a slot extension and new guard interface.

Synthetic review artifact for RapidDraft demos only. Not a releaseable manufacturing drawing.
