

Synthetic Review Drawing Stub

Part	Adjustable carton magazine side guide plate
Revision	B
Pilot	WEBASTO
Material	Stainless steel

Views

Key Dimensions

Dimension	Value
Key	450 x 220 x 3 mm
Key	Flange height about 25 mm
Key	Slots extend by about 20 mm in Rev B

Revision Summary

- Lengthen the primary adjustment slots by 20 mm.
- Add a second slot row for wider changeover range.
- Fuse in a local doubler patch to stiffen the revised flange area.

Notes

- Synthetic magazine side-guide review package.
- Revision B captures broader changeover travel with local reinforcement.

Synthetic review artifact for RapidDraft demos only. Not a releaseable manufacturing drawing.
