

Synthetic Review Drawing Stub

Part	Hot-melt nozzle mounting bracket with heat shield
Revision	B
Pilot	WEBASTO
Material	Stainless steel

Views

Key Dimensions

Dimension	Value
Key	Bracket 180 x 120 x 2 mm
Key	Shield 220 x 160 x 1.5 mm
Key	Nozzle centerline shifts by about 3 mm

Revision Summary

- Shift the nozzle centerline by 3 mm.
- Expand the adjustment-slot range and add locating holes.
- Add extra shield ventilation holes for the revised heat profile.

Notes

- Synthetic nozzle-bracket and heat-shield package.
- Revision B captures alignment and thermal shielding updates.

Synthetic review artifact for RapidDraft demos only. Not a releaseable manufacturing drawing.
